June 16, 2016 Regular Meeting

**ITEM 6      Information Item:  
Civic San Diego's Economic & Community Development Workplan**

Representatives from Civic San Diego will brief members on the newly-approved 2017 Economic & Community Development Workplan, which identifies strategies and programs for stimulating revitalization, employment opportunities, investment and economic development in low-income communities in the City of San Diego. The plan also aims to develop funding sources and programs that could finance many of the activities that were previously financed using tax increment before the dissolution of California's redevelopment agencies.

**ITEM 7      Information Item: San Diego Community Land Trust**

Representatives from the San Diego Land Trust will talk about the group's approach to affordable home ownership and its first projects in Lemon Grove and San Diego's Nestor neighborhood.
