July 21, 2016 Regular Meeting

ITEM 6 Information Item: The State of the Region's Economy

SANDAG staff will present a snapshot of statistics and trends currently affecting the region's economy. The presentation is expected to touch on wage growth, job creation, and comparative growth in the economy's different sectors, from housing, real estate and construction to tourism, education and the innovation fields.

ITEM 7 Information Item: Measure A – County Transit and Infrastructure Sales Tax

SANDAG staff will explain Measure A, the San Diego County Road Repair, Transit, Traffic Relief, Safety and Water Quality Measure, on November's ballot. Measure M would raise roughly \$18 billion for transit, road, infrastructure, bike and pedestrian, and land management and conservation projects. If approved by two-thirds of the voters, it would raise the county's sales tax by one-half cent for 40 years.

ITEM 8 Information Item: Proposition M – Affordable Housing in San Diego

San Diego Housing Commission staff will brief members on Proposition M, a City of San Diego ballot measure raising the cap on the number of affordable housing units that can be constructed or acquired within the city. Such voter authorization of affordable housing is required under Article 34 of the California Constitution, and has historically happened every few years.
