ITEM 6 Information Item: San Diego Regional Transportation Plan

After three years of preparation SANDAG released the Draft Regional Plan, aka San Diego Forward: The Regional Plan, in April. The plan combines and updates the region's two big-picture planning documents – the Regional Comprehensive Plan (RCP) and the Regional Transportation Plan/Sustainable Communities Strategy (RTP/SCS). SANDAG staff will brief the RTF on the plan – a blueprint for regional growth that prioritizes investment in a transportation network that will focus growth along transit corridors and offer residents more transportation options.
